

UniCote®

Colour Guide

When it comes to **colour**, we've got you covered.

Our colour chart is here to make it easy for you to imagine and choose the perfect look for your home or next project.

Regardless of what colour you choose all UniCote® products deliver outstanding durability, design and value.

View our full range of colours at unicote.com.au

Durability

UniCote® products are tested and manufactured for the harsh Australian conditions to offer you a long lasting product and peace of mind. The paint system is extremely durable and proven to provide resistance to chipping, peeling or cracking along with offering excellent colour retention.

Design

The UniCote® standard range of 22 colours gives you great design flexibility with products to suit any Australian landscape.

Value

UniCote® is a premium quality product that provides an affordable solution for all your roofing, architectural cladding and rain water needs.
